

## **Nebraska VR**

Nebraska Department of Education

---

**Do you have an employee or friend who is having difficulty working because of physical, emotional, or learning issues?**

**Nebraska VR can assist with:**

- Job site modifications and devices to enable them to do their job.
- Career counseling to help choose an appropriate job goal consistent with interests, skills, and abilities.
- Training to teach job seeking and job keeping skills.
- Business connections to find work that matches their interests, skills, and abilities.

**Call your local Nebraska VR office in Norfolk at  
402-370-3200 or 1-800-442-3382 for more information.**
